CAUTION: External email. Do not click links or open attachments unless verified. Send all suspicious email as an attachment to report.spam@nc.gov.

We are pleased to share that Jaz Tunnell, currently in the role of lobbyist for the North Carolina Government Affairs team, has accepted the role of Manager, Major Account Services (Southern Region) at Piedmont Natural Gas, reporting to Phil Agee effective January 16, 2018.

Jaz will lead a team of Major Account Representatives responsible for regulated sales activities and related customer services for Piedmont's large volume natural gas end users.

Jaz joined Duke Energy's Government Affairs team following the Piedmont merger in late 2016. We appreciate his many contributions.

Prior to that, he successfully held several roles in the government affairs and community relations departments at Piedmont, notably serving as the North Carolina government relations leader on the Atlantic Coast Pipeline (ACP).

Please do not hesitate to contact Kelli Kukura, Susan Vick or me for your government affairs questions or requests.

We wish Jaz continued success in his new role. Please join us in congratulating him on this exciting opportunity.
